Functions of the IIC

- Develop collaborations with industries, hospitals, CROs, and regulatory agencies.
- Facilitate MoUs, collaborative research, consultancy, and sponsored projects.
- Promote industrial training, internships, and industry-sponsored projects.
- Organize expert lectures, workshops, seminars, and industry interaction sessions.
- Support campus recruitment and employability initiatives.
- Encourage innovation, entrepreneurship, and technology transfer.
- Obtain industry feedback on curriculum and graduate employability.
- Maintain records of MoUs, collaborations, placements, consultancy, and outreach activities.
- Submit an Annual Report of activities to the Director.

This Order shall come into force with immediate effect and shall remain valid for the Academic Session 2026-27 or until further orders.
