OFFICE ORDER

Subject: Constitution of Research Advisory Board for the Academic Session 2026-27

In pursuance of the guidelines issued by the University Grants Commission (UGC), the Pharmacy Council of India (PCI), the All India Council for Technical Education (AICTE), the academic regulations of Dr. A.P.J. Abdul Kalam Technical University (AKTU), Lucknow, the provisions of the National Education Policy (NEP) 2020, and the Research & Development Policy of the Institute, the following Research Advisory Board (RAB) is hereby constituted for the Academic Session 2026-27.

The Research Advisory Board shall act as the apex advisory body for promoting research, innovation, consultancy, interdisciplinary collaboration, intellectual property generation, funded research projects and academic excellence in the Institute. The Board shall provide strategic guidance for strengthening the research ecosystem in accordance with the objectives of UGC, PCI, AICTE, AKTU, NAAC and NIRF.

DIRECTOR

Functions of the Research Advisory Board

The Board shall:

- Formulate and periodically review the Institute's Research and Innovation Policy in alignment with UGC, PCI, AICTE and AKTU guidelines.
- Promote a culture of quality research, innovation, consultancy, entrepreneurship and interdisciplinary collaboration among faculty members and students.
- Advise on research priorities in pharmaceutical sciences and emerging areas relevant to national and global healthcare needs.
- Encourage submission of research proposals to Government agencies, industries and other funding organizations, including AICTE, ICMR, DST, DBT, CSIR, SERB/ANRF, UGC and PCI-supported initiatives.
- Facilitate collaborations with universities, research laboratories, hospitals, pharmaceutical industries and professional bodies through MoUs and joint research activities.
- Promote publication of quality research papers in peer-reviewed, UGC-CARE, Scopus and Web of Science indexed journals.
- Encourage patent filing, copyright registration, technology transfer, start-up activities and other Intellectual Property Rights (IPR) initiatives.
- Review research performance of departments, funded projects, consultancy assignments, patents, publications and innovation outcomes, and recommend strategies for continuous improvement.
- Advise the Institute on research infrastructure, laboratory development, instrumentation, digital resources and research funding requirements.
- Submit recommendations to the Director, IQAC, Academic Council and Governing Body for strengthening research, innovation and institutional ranking.
- The Board shall meet at least twice in an academic year or more frequently as required. Minutes of Meetings, recommendations and Action Taken Reports shall be maintained by the Member Secretary and placed before the Competent Authority for necessary action.

This Order shall come into force with immediate effect and shall remain valid for the Academic Session 2026–27 or until further orders.

All concerned to please note.
